

Mid-Semester Examination Timetable, Autumn Semester, 2023

Dept & Year	Module Name	Module Code	Date
AS Year I Sem I	Fundamentals of Animal Genetics & Breeding	BRE101	18th September 2023
	Academic Skills	ACS101	19th September 2023
	Basic Anatomy & Physiology of Farm Animals	PHG101	20th September 2023
	Fundamentals of Veterinary Medicine	VET101	21st September 2023
	Fundamentals of Animal Nutrition	NUT101	22nd September 2023
AS Year II Sem I	Feed & Fodder Development	NUT202	18th September 2023
	Veterinary Surgery	VET204	19th September 2023
	Poultry Production	APR202	20th September 2023
	Preventive Veterinary Medicine	VET203	21st September 2023
	Reproductive Management of Farm Animals	BRE203	22nd September 2023
AS Year III Sem I	Farm Animal Growth and Development	ANS304	18th September 2023
	Organizational Management and Leadership	MGT301	19th September 2023
	Entrepreneurship Development	EDP101	20th September 2023
	Minor Animal Production - Yak, Goat, Apiculture & Equine	APR304	21st September 2023
	Fish Production	APR305	22nd September 2023
AS Year IV Sem I	Sustainable Livestock Farming	APR407	18th September 2023
	Geographical Information System & Remote Sensing	GIS402	19th September 2023
	Project Planning and Management	MGT402	20th September 2023
	Biotechnology in Animal Production	APR406	21st September 2023
	Meat Science and Technology	FST403	22nd September 2023
FST Year I Sem I	Academic Skills	ACS101	18th September 2023
	Food Microbiology	SFT101	19th September 2023
	Introduction to Food Science and Technology	FSC102	20th September 2023
	Food Chemistry	CHE103	21st September 2023
FST Year II Sem I	Post Harvest Technology	PCS201	18th September 2023
	Bakery and Confectionary	PCS203	19th September 2023
	Food Additives and Flavouring	SFT206	20th September 2023
	Fermentation and Enzyme Technology	PCS204	21st September 2023
	Meat Science and Technology	TEC402	22nd September 2023

FST Year III Sem I	Food Standards and Regulation	POL304	18th September 2023
	Oilseeds, Spices and Condiments	AGR308	19th September 2023
	Traditional Bhutanese Food	PCS306	20th September 2023
	Biotechnology in Food	TEC304	21st September 2023
	Food Handling and Storage	SFT306	22nd September 2023
FST Year IV Sem I	Food Industry Byproducts and Waste Utilization	PCS408	19th September 2023
	Statistic	STS301	20th September 2023
	Food Toxicology and Risk Assessment	CHE401	21st September 2023
	Agribusiness and Marketing	ECN206	22nd September 2023
ECS Year I Sem I	Environmental Chemistry	CHE102	18th September 2023
	Academic skills	ACS101	19th September 2023
	Introduction to computer and typesetting	ICT101	20th September 2023
	Principles of ecology and ecosystems	ECL103	21st September 2023
ECS Year II Sem I	Waste Management	EVS203	18th September 2023
	Climate Change	CLM204	19th September 2023
	Conservation Biology	CON204	20th September 2023
	Analytical Skills	GSE101	21st September 2023
	Applied Hydrology	CLM203	22nd September 2023
ECS Year III Sem I	Paleoclimatology	CLM306	18th September 2023
	Climate Change assessment and mitigation	CLM305	20th September 2023
	Disaster Risk Reduction and Management	MGT308	21st September 2023
	Statistics	STS301	22nd September 2023
FO Year I Sem I	Academic Skills	ACS101	18th September 2023
	Forest Survey	SUR101	19th September 2023
	Silviculture	SIL101	20th September 2023
	Forest and Systematic Botany	BOT101	21st September 2023
FO Year II Sem I	Sustainable Forest Utilization	FRU201	18th September 2023
	Forest Mensuration	MEN201	19th September 2023
	Personal Development (Viva Voce)	MGT207	20th September 2023
	Communication for Development	DEV102	21st September 2023
	Forest Law and Policy	POL201	22nd September 2023

FO Year III Sem I	Entrepreneurship Development	EDP101	18th September 2023
	Organizational Management and Leadership	MGT301	19th September 2023
	Geological Formation and Vegetation	GES301	20th September 2023
	Forest Ecology	ECL301	21st September 2023
	CBNRM & Non-Timber Forest Products	NRM304	22nd September 2023
FO Year IV Sem I	GIS & Remote Sensing	GIS402	18th September 2023
	Wood Anatomy and Dendrochronology	DEN401	19th September 2023
	Applied Conservation Science	CSC402	20th September 2023
	Natural Resource Economics & Ecotourism	NRM407	21st September 2023
	Wetland and Freshwater Ecology	ECL402	22nd September 2023
SD Year I Sem I	Introduction to Sustainable Development	DEV101	18th September 2023
	Fundamentals of Economics	ECN102	19th September 2023
	Sociology	SOC101	20th September 2023
	Environmental Studies	EVS102	21st September 2023
	Academic Skills	ACS101	22nd September 2023
SD Year II Sem I	Geographical Information Systems and Remote sensing	GIS201	18th September 2023
	Sustainable Crop Production and Land Use	AGR206	19th September 2023
	Entrepreneurship	EDP101	20th September 2023
	Organizational Management and Leadership	MGT201	21st September 2023
SD Year III Sem I	Integrated Watershed Management	MGT409	18th September 2023
	Public Health for Sustainable Development	HLT301	19th September 2023
	Community-Based Natural Resource Management and Ecotourism	MGT302	20th September 2023
	Natural Resource Economics	ECN405	21st September 2023
	Introduction to Public Policy Processes	POL303	22nd September 2023
AG Year I Sem I	Fundamental of Horticulture	HOR101	18th September 2023
	Academic skills	ACS101	19th September 2023
	Fundamentals of Agronomy	AGR101	20th September 2023
	Fundamental plant protection	PRT101	21st September 2023

AG Year IV Sem I	Advanced Fruit Production	HOR407	18th September 2023
	Epidemiology and Crop Disease Management	PRT404	19th September 2023
	Food Science and Technology	FSC401	20th September 2023
	Organic Agriculture	AGR405	21st September 2023
	Geographical Information System	GIS201	22nd September 2023
OAG Year II Sem I	Pest Ecology and Management	PRT207	18th September 2023
	Plant Physiology	PHG202	19th September 2023
	Weed Management in Organic Agriculture	PRT208	20th September 2023
	Plant Disease and Management	PRT206	21st September 2023
	Organic Horticulture Production	HOR209	22nd September 2023
OAG Year III Sem I	Farm Economics & Marketing	ECN201	18th September 2023
	Medicinal Herbs and Spices	HOR210	19th September 2023
	Organic Plant Breeding & Seed Production	BRE305	20th September 2023
	Farm Equipment	AGR311	21st September 2023
	Organic Livestock Production	APR211	22nd September 2023
OAG Year IV Sem I	Organic Regulations Standards & Certification	OAG403	18th September 2023
	Organizational Management and Leadership	MGT201	19th September 2023
	Planning and Designing Organic Farms	MGT410	20th September 2023
	Agroecology	ECL405	21st September 2023
	Organic Post Production Management and Quality	HOR411	22nd September 2023
MDP Year II Sem I	Global Health	HLT605	18th September 2023
	Organisational Management	MGT617	19th September 2023
NRM Year I Sem I	Scientific Writing and Communication	ACS505	18th September 2023
	Natural Resource Management	MGT515	19th September 2023
	Advanced Research Methods	RES508	20th September 2023
	Applied Statistics	STS505	21st September 2023
	Climate Change Impacts, Adaptation and Mitigation	CLM710	22nd September 2023
Ph.D. Climate Studies Year I Sem I	Scientific Writing and Communication	ACS505	18th September 2023
	Natural Resource Management	MGT515	19th September 2023
	Advanced Research Methods	RES508	20th September 2023
	Applied Statistics	STS505	21st September 2023
